

# Trojan Card Merchant Agreement Form

## Dear Merchant,

Our band is raising money by selling community discount cards. We would like to add your business to our discount card fund-raising program. All we need is an ad from your business, such as "10% off purchases" or whatever discounted or free service you'd like to offer. We will place this offer on the discount cards, which will be distributed/sold to the community at NO CHARGE to you. Your benefits are: free advertising, increased traffic to your establishment, positive word of mouth in the community, repeat visits, and more purchases. To participate, please fill out the form below.
