

Alternate Severe/Inclement Weather Plan

In case of severe/inclement weather on Saturday, October 29, the 4th Annual Coffee Marching Invitational will be postponed to determine the possibility of a late start. If a late start appears impossible, and/or the contest field is unusable, the contest will be moved indoors to Coffee High School. Bands will be judged in Music, Music GE, Auxiliary, Percussion, & Drum Majors.

The decision to move the contest inside will be made by the Coffee Marching Invitational Executive Committee if it is necessary to do so.

Registration will be held in the Coffee High School Gymnasium Lobby. Dressing Rooms will be located in Coffee High Cafetorium Concourse.

Holding Area prior to performance will be in the concourse outside the Gymnasium.

Warm-up will be held in the Coffee High School Band Room and Chorus Room.

Performances will be held in the Coffee High School Gymnasium.

Hospitality Room will be located in the same designated area. (Access from A Wing)

Buses and Equipment Trucks will unload in front of Coffee High School Gymnasium and then park in the parking area provided.

Please be aware this plan will be used only if there is severe weather or very heavy rain.

*As always, CMI Guides will assist with each group during your stay. *Maps will be made available if the event is moved inside. *Awards ceremony will take place at the end of the event in the gymnasium.

*Every effort will be made to hold the event outside. Expect delays in the schedule if there is severe weather.
