ADVERTISE IN THE 2017 COFFEE HIGH TROJAN FOOTBALL PROGRAM

Dear Businesses, Parents, and Supporters,

Thank you for your support of the Coffee High Band Students and Boosters. The Band Boosters are now preparing the 2017 Coffee High Trojan Football Program, which will be printed for each of the five (5) home football games this fall. Mr. Zach Williams will be serving as the Program Coordinator again this year. He will be more than happy to assist you in getting your Business or Senior Ad in the program.

We will be printing the ENTIRE program in COLOR again this year!!

Businesses: this is a great marketing resource to have your company's name and label seen by the people in the community you serve. With the new color ad format, you will be able to present or introduce your company in a more vivid and profitable way.

Parents: there is no better way to show your Senior Band, Cheer, or Football Student just how proud you are of their accomplishments than with a full color ad in the football program. Senior Ads are a great keepsake and reminder of the "best year of high school."

We are requesting that all submitted ads be PRINT READY this year. We have had a change in publishers and we are limited when it comes to preparing individual ads. Ads may be submitted as a PDF or JPEG.

We are excited about the new design and layout of the program and look forward to your support of the Band again this year. Please take a moment to review the ad form and place your order today!

Looking forward to working with you,

Zach Williams, Program Coordinator
